FACIALS

The facials are structured in **three progressive levels**, allowing you to start gently and advance as your skin goals evolve.

Each level introduces **more active ingredients**, **stronger exfoliation** options, advanced **technology** and **targeted results**.

Basic R515 (45mins) R695 (60mins)
first-timers, normal skin needing fresh up, teens, quick pick me up, sensitive
cleanse - exfoliate - extractions - massage and/or mask - hydration and spf

Corrective R815
ongoing skin concerns, ready for active treatment, skin correction and renewal,
as basic facial plus more active serums/more stimulating products, technology
like high frequency, bt micro sonic exfoliation, bt infusion - not all these will be
included but will vary depending on your skin needs

Advanced R975
mature, photo-aged, acne prone, renewal, stimulating treatment
as corrective facial plus luxury sculpting massage (incl scalp) and LED therapy
application

Various add-ons available to intensify and customise your facial

FACIAL COMBOS

Renewal	R915 (R1120)
dermaplaning + corrective facial (+LED)	
Carbon Resurfacing	R1280

ADD-ON RECOMMENDATION

Dermaplaning	R275
LED Therapy (incl mask)	R220
High Frequency	R95
BT Nano Microcurrent Flash Lift (one area)	R450
SkinRetin Xpert Exosomes	R1000
Crystal Fiber Mask (great combined with intense treatments)	R250

MICROCURRENT

A non-invasive treatment that uses low-level electrical currents to stimulate the facial muscles and skin. It tones, tightens and boosts collagen production. Ideally booked as part of a course, starting with bi-weekly sessions.

Xpress Lift	R750
cleanse - exfoliate - microcurrent	
Sculpt & Glow	R950
cleanse - ultrasonic exfoliation - microcurrent - mask & LED	
Power Lift	R1150
cleanse - ultrasonic exfoliate - massage - microcurrent face & neck - mask & LED - foot/leg massage	

MICRONEEDLING

A minimally invasive skin treatment that creates a controlled injury to the skin to encourage natural collagen production. Ideal to improve skin texture and tone, fine lines and firmness and overall skin quality. Suitable for most skin types, with minimal downtime.

Face	R1325
Face & Neck	R1525
Face Neck & Chest	R1700

*Courses are available as these are best taken as part of a course.
Also recommended to be combined with Skin Peels.*

SKIN PEELS

MESOPEEL

mature, photo-aged, acne and congestion, hyperpigmentation, rosacea

Mesopeel PRO is a professional-grade chemical peel designed to gently renew skin texture and enhance radiance.

Mesopeel MD is a high-performance medical peel targeting deeper skin concerns for more intensive rejuvenation and visible results. Always start with PRO and progress to MD. Pigmentation, acne, ageing, dullness, rosacea,

	PRO	MD
Mesopeel Face	R805	R950
Mesopeel Face & Neck	R915	R1145
Mesopeel Face Neck & Chest	R1195	R1475
Mesopeel Periocular	R325	
Melanoplus Touch (TCA)	from R350	

Courses are available as these are best taken as part of a course.

Also recommended to be combined with Microneedling - see next page

MESOECLAT

dull, tired skin, early and advanced signs of ageing, loss of firmness and radiance

Mesoeclat is an intense skin rejuvenation treatment that combines exfoliation, infusion of active ingredients and targeted stimulation to restore brightness and vitality. It improves cell turnover, enhances hydration, and supports collagen activity. The result = smoother texture, more even tone, visibly refreshed complexion. Ideally booked as part of a course, but can be taken as a stand-alone session.

Mesoeclat Face Neck & Chest	R1735	R7375

COSMELAN METHOD

The world's leading professional depigmentation method for treating the most severe and stubborn skin spots.
Excellent results in the short and long term thanks to its unique dual action mechanism: corrective and regulatory.

The Cosmelan Peel POR

SKINRETIN XPERT

A triple threat to anti ageing. Powered by the benefits of exosomes, this brightening and anti ageing treatment feeds the skin from within. The cocktail of ingredients are developed to redensify, illuminate and revitalise the skin. Can be performed as a stand-alone, but best results from 3-5 sessions.
Your skin must be used to active retinol.
